FOOD IS A GIFT OF GOD
TO EAT IS A DIVINE NECESSITY

We are proud to be able to present to you food from a take-away of a more superior quality than that available from the majority of 'Indian restaurants'.

Our cuisine is a combination of subtle tastes, flavours are varied as the climate of India and exotic as the people. Fragrant spices from the four corners of the country are delicately blended to create the dishes we present to you. Each dish has its own distinctive flavour and aroma which cannot come from any curry powder but from spices which are specially prepared each day, fresh for each individual dish.
